From The PTA Presidents

Dear Parents, Guardians and Caregivers,

Our Cider Mill Odyssey of the Mind teams competed in the State Competition on Saturday March 17th. All the teams put in lots of effort and did a fantastic job. Congratulations teams!

On Tuesday March 20th our hospitality team put together a fantastic Soup N Salad buffet for the staff. The delicious food was well received, thank you to everyone who donated dishes and helped that morning.

The snow postponed Pizza and Paint night until March 28th, if you bought tickets they will be valid that night. It's a sold out event and sounds like it will be a really enjoyable evening.

Teacher Appreciation week is approaching and the PTA is arranging a Health and Wellness Day for the staff on Monday May 7th. If you can donate services to help make this day special please follow this link. <https://goo.gl/forms/p2sa5Jq7jR1CcSon2>

There is a Board of Finance meeting which is scheduled for Monday, March 26, 7:30pm at Middlebrook. Members of the public will have an opportunity to speak at the hearing, and communicate directly with BOF members. This is a great opportunity to make your voice heard and give your opinion on our budget.

Our next PTA meeting April 17th at 9:15 in the Cider Mill Cafeteria. Everyone is welcome to join us! Thank you for everything you do.

Amanda Patania and Annemarie Aronowitz
PTA Co-Presidents

Anxious Parents, Anxious Kids and the Anxiously Awaited Antidote! with Lenore Skenazy

Monday, April 30, 2018, 10:00-11:30 am, Wilton Library

Can't make it? The presentation will be recorded and screened (one time only) that evening at 7:00 pm. Registration recommended at www.wiltonlibrary.org or 203-762-6334.

The media labeled Lenore Skenazy "America's Worst Mom" when she let her 9-year-old ride the subway alone. She wore the badge with pride and went on to found Free-Range Kids, the book, blog and movement dedicated to the fact our kids are SAFE and SMARTER than our culture gives them credit for. Now she is the head of Let Grow, a non-profit making it easy and normal to give kids back some old-fashioned independence. In this very funny lecture Lenore addresses the fears stalking America's parents and discusses how to regain the calming perspective that allows us to trust our kids, our community and our own parenting.

Wilton Relay for Life ~ June 8th, 4-11pm

Wilton Relay for Life, sponsored by the American Cancer Society, is a huge community fundraising event that raises money to help fight cancer through funding research and support services in local communities. Funds help

support rides to treatment centers, lodging for family members near treatment centers, counselors to speak with patients and family members...(see attached chart)

The relay event at the Wilton High School track, Friday June 8th from 4-11 PM, is a combination of walk-a-thon, carnival, fundraiser, concert, and memorial. It really is the culmination of weeks and months of fundraising done by individuals who often form a "team". A team is simply a group of friends/family/coworkers who decide to come up with a team name, register on the Wilton Relay for Life site. These team members work together to raise funds in the weeks leading up to the relay, get a tent site around the track, and plan their relay evening together.

We would also love to have an interested parents and family members help us with our committee work. If you think you can lend a hand with our committee please contact Grace Scinto at Grace.Scinto@cancer.org

More information regarding our event can be found online at
